<b>Quantity produced:</b>	7.750 of 750 ml bottles
<b>Grape Varieties:</b>	Touriga Nacional, Touriga Franca, Tinta Roriz, Tinta Amarela and Tinta Barroca
<b>Winemaking:</b>	Total destemming followed by crushing; cold maceration for 24 hours; fermentation for six days, followed by malolactic fermentation.
<b>Fermentation temperature:</b>	18 – 28 °C
<b>Fermentation equipment:</b>	Stainless steel tanks with pumping over and cooling system.
<b>Ageing:</b>	Matured for twelve months in French oak barrels used one time
<b>LABORATORIAL ANALYSIS:</b>	
<b>Alcohol Content:</b>	14,50% vol. (20 °C)
<b>pH:</b>	3,57
<b>Total acidity:</b>	5,30 g/dm <sup>3</sup> (tartaric acid)
<b>Residual Sugar:</b>	2,40 g/dm <sup>3</sup>
<b>TASTING NOTES:</b>	
<b>Color:</b>	Deep red
<b>Aroma:</b>	Very concentrated, with wood notes combined with stewed red fruits.
<b>Palate:</b>	Well balanced with soft tannins resulting in a harmonious, clean and persistent wine.
<b>SERVING:</b>	This wine was not submitted to filtration or stabilization operations, in order to preserve all its characteristics, resulting in a normal formation of sediment. The wine should be decanted 10 minutes before serving. The ideal temperature for consumption is 17°C.
<b>GASTRONOMY:</b>	Meat dishes or all kind of cheese.
<b>WINEMAKER:</b>	José Conceição
